## Dear Second Baptist School Family,

As we look back on the 2022-2023 school year, it's impossible not to be filled with gratitude and awe for the incredible journey we have been on together. I am deeply moved by the remarkable progress we have made, and I attribute it to the grace of God and our unwavering commitment to our biblically-based, Christ-centered mission: "to equip students to think critically, live biblically, and lead courageously to impact the world for Jesus Christ."

Our renewed clarity surrounding this mission has guided us and ignited a passionate spirit within our community. I have been so proud to witness the enthusiastic support of our Big Three events: Distinguished Speaker, Second Fund and EagleFest. Each of these events has been instrumental in supporting our core objectives.

The Distinguished Speaker event was a shining moment, uniting our community as we embraced joy and inspiration through Baylor University's national champion men's basketball coach, Scott Drew. Second Fund exceeded our expectations, funding numerous teacher requests and driving forward vital initiatives. Over 100 classrooms received technological upgrades; the second floor of A Building was transformed to benefit our middle school students, and we proudly introduced four new classrooms, dedicated to technology, art and Bible. The new children's building is a testament to the unending generosity of our Second Baptist Church and Second Baptist School communities. This state-of-the-art facility has become a sanctuary for 500 lower school students, providing them with a world-class education while introducing them to the teachings of Jesus and the truths of God's Word.

As we reflect on the blessings God has poured upon us and the incredible support of our community throughout 2022-2023, our hearts are filled with anticipation for the future. As our pastor, Dr. Young, often says, "The best is yet to be."

It is my sincere privilege to serve this community. Thank you, Second Baptist School, for an unforgettable year of growth, unity and faith.

In His service,

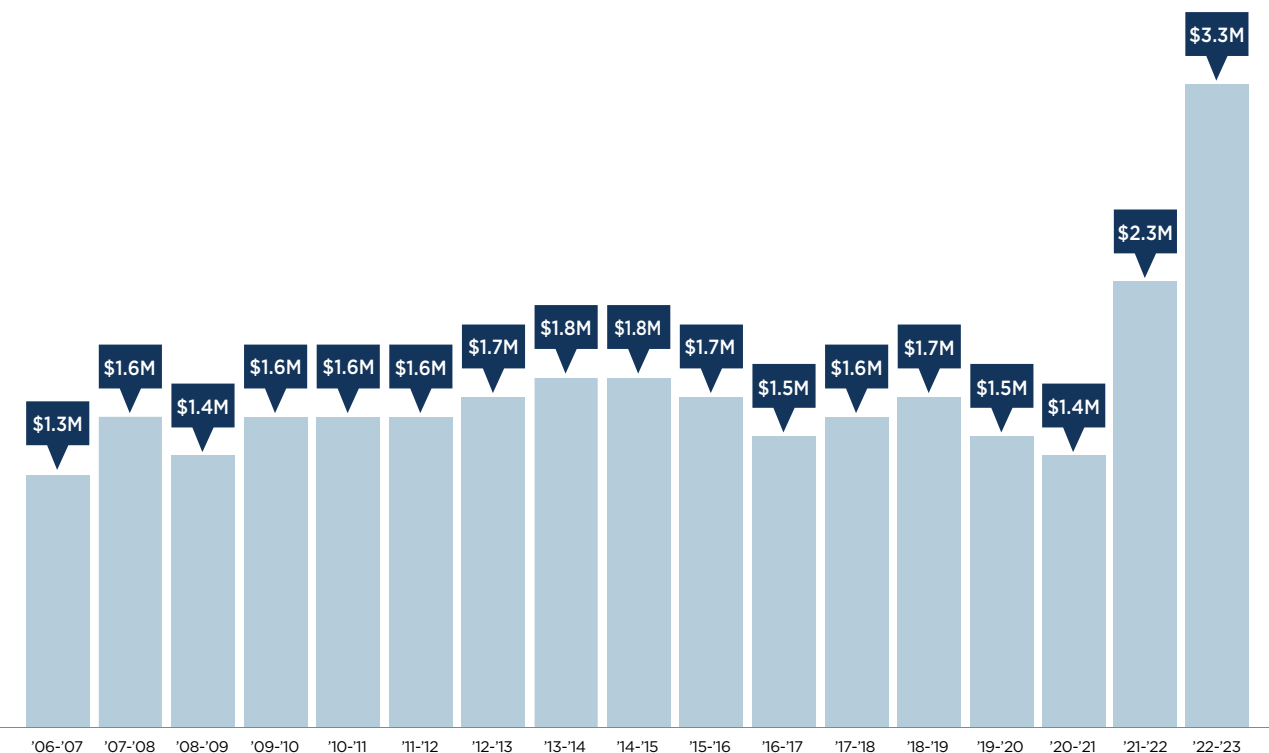

**Dr. Don Davis**  
Head of School

# CHILDREN'S BUILDING

## WHAT DOES IT MEAN TO YOU TO BE IN THE NEW BUILDING?

### MADELINE JOBE –

“It is a dream come true. The new building has given us a new sense of togetherness. The attention to the double use of classrooms is unique. We leave on Friday with a church setup and return on Monday with a school setup. The extra security that the new building affords our campus is greatly appreciated.”

### IRIS STEWART –

“I think, for me, it is a daily reminder of how great our Father is and how much He loves His children. I think of the woman who bathed Jesus’s

feet in expensive perfume, and Jesus corrects those who scoffed at it. He said, ‘She has done a beautiful thing for me.’ I think this new building is a beautiful thing for His children.”

### ALISON TIDMORE –

“Being in the new building means community to me! The lower school is finally all together in one space. I love walking down to the second floor and seeing all the fun activities in PK and kindergarten! I love going up one floor and running into former students and getting hugs from them. The building has made me feel more connected to my fellow teachers and our amazing lower school administration.”

## HOW HAS IT CHANGED THE WAY YOU TEACH?

### MADELINE JOBE –

“It has given new life to my teaching. I love the overhead projector, the pull down screen, and demonstrating writing practices with my iPad. My students are able to enjoy new and fun experiences with interactive lessons.

“I also appreciate the extra floor space. There is plenty of room to build with blocks, construct a magna-tile train, or explore with over-sized constructs. The new, well-equipped playground is allowing our students to develop their gross motor skills. They are able to run, slide, spin and

climb—all the fun activities that strengthen growing children.”

### IRIS STEWART –

“There is a big window in my classroom that looks out at a beautiful blue sky painted with fluffy white clouds most days. Many times this year, we have stopped in the middle of our lessons to thank God for all the gifts He has given us.”

### ALISON TIDMORE –

“It has been so nice to have more space! We have enjoyed being able to spread out as we do our math workplaces and other projects. The extra work spaces outside of the classrooms are wonderful for small group instruction or for an

individual student to do make-up work. It has been fun discovering new ways to utilize the space, and we will continue to expand how we use it!”

## WHAT WOULD YOU LIKE TO SAY TO DONORS WHO MADE THE BUILDING POSSIBLE?

### MADELINE JOBE –

“I would like to say thank you! It seems very trite, but through their generous donations, we are poised to affect children’s lives for the next fifty years. We will make many rich memories and have great experiences, but most of all, we will bring students into a personal

relationship with Jesus Christ. Thank you for giving us this fantastic opportunity!”

### IRIS STEWART –

“Thank you so much for your sacrifice. Because of your generosity, many families will now want to bring their children to Second Baptist School. It will give these little children the opportunity to be raised in God’s Word.”

### ALISON TIDMORE –

“THANK YOU! Thank you for not only providing a space for school and church but also a place to impact and change lives for eternity. My family and I came to Second when the Worship Center was newly built, and that forever changed my life. I am so thankful for our church and school and how their eyes are continually looking for ways to draw people to Christ. This building is a wonderful tool that will impact the future!”

## SECOND FUND DONATIONS AT WORK

# ACADEMICS

Thanks to the Second Fund, we've acquired 10 cutting-edge **MICROSCOPES** that seamlessly integrate with our Macbook laptops, enhancing the study of histology in our Honors Anatomy and Physiology class. These advanced instruments have significantly improved our students' understanding of anatomical structures, elevating the quality of their education.

– ARTHUR BABCOCK, UPPER SCHOOL TEACHER

SECOND FUND DONATIONS AT WORK

# ARTS

The arts at SBS are always thankful for the Second Fund! This year, Second Fund purchased **LIGHTS FOR THE C GYM THEATRE**, which greatly enhances all performances for our middle school and upper school shows and showcases. We can now operate the lights separately, allowing more elements to create specific lighting designs. Our students assist with designing the lights and operating them during the performances, and this enables them in their journey to create artistic designs.

Additionally, our upper school theatre teachers attended a **BROADWAY TEACHERS WORKSHOP** in New York City this past July, supporting staging, lighting, set and prop design, play choices, teaching skills and improvisation and scene work, playwriting, directing and implementing special effects. Thank you to the Second Fund for enhancing the experience of every SBS arts student!

– CINDY BLADES, DIRECTOR OF ARTS

SECOND FUND DONATIONS AT WORK

# ATHLETICS

This year, within our Athletics department, we acquired state-of-the-art safety equipment, including **GUARDIAN HELMETS**, effectively minimizing impacts on the field. The **POP-UP TACKLE MAKER** and **AGILE 1** have allowed our players to elevate their agility and coordination skills. Thanks to you, our athletes are better equipped and prepared. We're deeply grateful for your commitment to our success.

– MIKE WALKER, DIRECTOR OF ATHLETICS

# 2022 - 2023 Second Fund

CHAired BY LINDSAY AND JAMES GARRETT

*Second Fund is our primary giving campaign at Second Baptist School. A gift to Second Fund is the first gift every family should consider when giving to SBS. Each year, we look to parents, grandparents, alumni parents, faculty and staff to support our students and our mission. With support received from Second Fund, SBS cultivates programs in technology, arts, athletics, and academics through professional development, thereby making an immediate impact on our students, faculty and staff.*

# 2023 EagleFest

CHAired BY DEVON CORLEY AND KRISTEN DAVIS

*An all-school celebration, EagleFest is a much anticipated and beloved day at Second Baptist School. Proceeds benefit the B. Jane Hursey Faculty Endowment Fund – a permanently restricted fund from which the income generated from investments is used to benefit the future of the faculty and staff at SBS. With events including a parade, Blue/Gold Competitions, family picnic lunch, carnival and silent auction, the income generated from EagleFest supports our greatest asset – our teachers. By participating as an underwriter, donating an item to the silent auction or volunteering the day of, the gifts of time, talent and treasure makes an immeasurable impact on our school.*

## Dear Friends and Supporters of Second Baptist School,

As I begin my seventh year in the role of Director of Advancement at Second Baptist School, I am both grateful and inspired by the faithful financial investment of so many over the years to help elevate the school to where we are today. This past year, we eagerly watched the construction of the Children's Building for our lower school students and anticipated the opportunities that would enhance their educational experience. Our middle and upper school students would also be given new opportunities with the now available space. Thank you to the caring community of parents, faculty, staff, alumni, alumni parents, grandparents, and friends that have invested their time, talent and treasure into building a school that seeks to equip our students to think critically, live biblically and lead courageously.

Through the Distinguished Speaker Luncheon, Second Fund and EagleFest, you have collectively raised over \$2,954,000 in support of SBS for the 2022-2023 school year. By joining other SBS families, you are making a difference to ensure that Second Baptist School continues its legacy of excellence in Christian education.

This past year, the SBS community celebrated 17 years of the Distinguished Speaker event and EagleFest. A heartfelt thank you to the chairs of our Big Three fundraisers: Kacey and Paz Maestas and Kristin and David Thrasher (Distinguished Speaker Luncheon), Devon Corley and Kristen Davis (EagleFest), and Lindsay and James Garrett (Second Fund). I am grateful for their leadership, their support and the amazing work they accomplished for SBS.

Thank you for your belief in the mission of SBS. Thank you for trusting us, not only with your students but with your resources as well. And thank you for locking arms with others in the SBS community to make this school possible. Every dollar accounted for in this annual report represents your selfless giving to make a difference.

May the Lord bless you for your commitment to and love for Second Baptist School.

Sincerely,

**Dyanne Kimmel**  
Director of Advancement
